Head's Message

The KS2 children thoroughly enjoyed taking part in Harvest this week. They all sang beautifully, and speakers from every class did so with confidence. Thank you everyone for your generous donations, it was lovely to take part in such an important community event.

In assemblies this week KS2 practised their songs for Harvest Festival and discussed how we display excellence and respect in school by following instructions and working together. In KS1 we discussed the school rule of Respect and how to be respectful is to show kindness. We looked at our school value of excellence and discussed how we need to accept help, and offer help in order to be excellent. We read the story Way Home for Wolf about a stubborn wolf cub who thinks he can do everything by himself.

We are looking forward to another brilliant week next week. Please make sure you have signed up for parent's evenings, and look out for children coming home with a Doodle Maths login. A more detailed communication about this will come out next week.

Important

Please take note of the new yellow markings outside the school gate, and refrain from **parking or stopping** on them or the pavement. We have had residents complaints, and two near misses.

We are currently reviewing the gate situation and will notify you when a solution has been agreed.
